Air 1 serves our community by bringing positive , non-commerical radio to myself, ,my family and my friends. They are the one place that teaches family values from the highest authority. I will not listen to any other station that takes over their spot. I will turn off my radio and listen to CD's instead. Please consider the great service and life changing messages. I sponsor one hour a month and it has changed my life. Thank you for your consideration. Heid Frederick Air 1 Listener, Supporter and Sponsor.
